Plant Roses Will have months Will of bloom Final Clearance SALE

Of Everbloomers, Ramblers, Climbers, Also Moss, Shrub and Polyantha Roses, Last Call Reductions, on Entire Stock - - - Flowering Trees, Shrubs and Hardy Perennial Plants

UR 20TH FINAL CLEARANCE SALE is drawing to a close. Our mails have been tremendous, often 800 to 900 orders in a single day. Yet 95% of these orders have been shipped out within 24 hours from the time the orders were received.

Some lines, the Evergreens for example, have been entirely cleaned out. We still have complete stocks of the lines shown in this "Last Call" folder, including the finest Hybrid Tea Roses, Ramblers and Climbers. You will find several Ramblers and Climbers not previously listed.

Still Time to Plant Roses, Flowering Trees and Shrubs

You need not hesitate to plant now, although we are well into the summer. The Roses, Flowering Trees and Shrubs we will send you have been held dormant in our refrigerating cellars. They are exactly like the stock we shipped out in April. Plant them now and you will be surprised how quickly they respond to summer warmth and sunshine. Give them an abundance of water, especially during the first two weeks after planting. We guarantee our Hybrid Tea Roses to bloom within a few weeks from planting.

Note the special premiums offered with the Rambler and Climber Collections. Also the last minute reductions on Trees and Shrubs.

This is positively our last Bulletin of the season. Now is the time to buy at money-saving prices.

We will include the Franklin D. Roosevelt Rose, an exclusive new Reynolds' Farms introduction, FREE with every order for \$10.00 or more. This Rose sells regularly at \$2.00 a plant.
